Edmentum Overview

Edmentum is the US leading provider of K-12 digital curriculum, assessments, and services. Our programs are designed to engage all students and currently working with schools in over 110 countries. Our team consists of former educators and education technology experts experienced in isolating specific needs, providing personalized support, and boosting program adoption.

Our Programs

Exact Path

Diagnostic-driven direct instruction to accelerate student growth.

Study Island

Standards-based classroom assessment and practice to achieve grade-level proficiency.

Courseware

Secondary digital curriculum to enhance and expand student options.

Calvert Learning

Project-based elementary digital curriculum to develop critical thinking skills in young learners.

Apex Learning

Secondary digital curriculum and personalized support to help students unlock success.

EducationCity

Primary rigorous assessments, actionable data and personalized learning for every student.

EdOptions Academy

Online courses paired with instructional services to deliver effective virtual programs.

On-Demand Tutoring

24/7 one-on-one support available for Courseware or EdOptions Academy

School Accreditation

EdOptions Academy is accredited by Cognia and WASC. The accreditation grants EdOptions Academy the unique ability to offer transcripts, credits and diplomas recognized by schools and colleges across the country and around the world.

EdOptions Academy has also been granted program approval by the [NCAA Eligibility Center](#) to offer online instruction to student-athletes.

What Our Accreditation Means for your Students and Families

Enrolling in an accredited program ensures that:

- Courses and instruction meet strong national standards;
- Coursework can easily be transferred between schools; and
- Diplomas granted by our accredited program will be accepted by colleges and universities both in the US and internationally.

Edmentum partners with schools to deliver rigorous and research-based curricula built to national standards

- High-quality, state-certified teachers experienced in online instruction
- Engaging, self-paced courses for grades K-12
- Flexible scheduling
- Provides you and your child with personal support from certified teachers who are committed to your student's success

90K+

enrollments annually

100+

full time teachers &
100+ part time teachers

US High School Diploma

EdOptions Academy allows students to earn a US High School diploma online. Our wide variety of courses, including AP®, World Languages, electives, and college and career prep, prepares students for the rigors of college and future success in the job market.

US High School Diploma

Who is this for?

Grade 9-12 students at any school

How long does it take for USHSD?

5 credits completed anytime during grades 9-12 (recommended 3 years or 6 semesters in grades 9-11)

Is extra study time needed?

As little as one hour a day (if completed over 3 years)

Options: US High School diploma

- Dual diploma
- Single diploma
- 4 Year Full time diploma
- Single Course (18 weeks per semester - 0.5 credit)

Full time Program (21.5 credits)

High School Required Courses and Sample Plan

Required Courses for High School Graduation:

English/Language Arts (4 Credits)	
English I	1 Credit
English II	1 Credit
English III	1 Credit
English IV	1 Credit
Mathematics (3 Credits)	
Algebra 1	1 Credit
Geometry	1 Credit
Additional Math	1 Credit
Science (3 Credits)	
Biology	1 Credit
Physical Science	1 Credit
Additional Science	1 Credit
Social Studies (3 Credits)	
World History	1 Credit
American History	1 Credit
American Government	0.5 Credit
Economics	0.5 Credit
Additional Courses (8.5 Credits Total)	
Art/CTE	1 Credit
Electives	7 Credits
Total: 21.5 Credits	

*For students intending to apply for a 4-year university, we highly recommend the following:

- 2 years of world language
- 4 years of Math, including Algebra II
- 4 years of science including biology, chemistry, physics, and an elective science

Sample High School 4 Year Plan:

9 th Grade (5.5 Credits)	
English I	1 Credit
Algebra I	1 Credit
Biology	1 Credit
World History	1 Credit
World Language	1 Credit
Elective	0.5 Credit
10 th Grade (5.5 Credits)	
English II	1 Credit
Geometry	1 Credit
Chemistry	1 Credit
American History	1 Credit
World Language	1 Credit
Elective	0.5 Credit
11 th Grade (5.5 Credits)	
English III	1 Credit
Algebra II	1 Credit
Additional Science	1 Credit
American Government	0.5 Credit
Economics	0.5 Credit
CTE or Art Class	1 Credit
Elective	0.5 Credit
12 th Grade	
English IV	1 Credit
Core Elective	1 Credit
Other Electives	3 Credits
Total: 21.5 Credits

Dual Diploma

The Process

Earning an American high school diploma

Curriculum Evaluation

3rd-party experts assess students' national curriculum.

Teaching & Support

Edmentum instructors guide students through their courses, with regular progress meetings and communication.

Onboarding & Enrollment

Courses are selected from our library of 500+ offerings. Students start on the selected start date.

Review & Confirmation

Edmentum reviews transcripts and calculates GPAs from coursework.

Diploma Awarded

Edmentum awards the American high school diploma, recognizing student achievements.

Dual American High School Diploma Sample Plan

Most national curricula can cover the equivalent of 16.5 credits when mapped. Only 5 credits are needed to complement attainment and obtain an American high school diploma through our dual diploma program.

Core Requirement: 1.0 Credits of English

Recommended: Business English
Students may choose 1.0 English/Language Arts credit

Core Requirement: 1.0 Credits of a Core Course

Students may choose 1.0 Math, Science, or Social Studies credit

Additional Course Requirements: 3.0 Credits*

Additional courses can be chosen based on student interests and goals

*Students may only choose 1.0 elective credits to come from the Health and PE section

Required courses may vary based on students' curriculum evaluation results.

EdOptions Academy Services

- **Flexible course scheduling** – students' complete coursework around practice, travel, and games.
- **24/7 access to rigorous, engaging curriculum Courseware** with built-in support for students when and where they need it. Courses consist of a blend of self-paced and guided instruction that includes **tutorials, mastery tests, drop box activities, and discussion** posts for completion for course credit.
- **Synchronous live lessons** during the US hours or access to **recording lesson** for core subjects
- **Daily live help hours** open to all students where a students and join the live Zoom session ask questions (US hours)
- Provide direct contact information for our teachers (Zoom link, email) for direct interaction
- **Weekly progress report** to school partner and Contact students that haven't logged into program recently
- **Grade student work** by providing feedback and encouragement
- Guaranteed 24 hour response time

Grading Scale – EdOptions Academy

Earning Credit and Grading Policy

In order to receive credit in a course, students must earn at least a 60% overall passing grade for the course. The final grade will be comprised of all Mastery Tests, Discussions, Unit Post-Tests, Unit Activities, and the End-of-Semester Test (EOS). The End-of-Semester Test will be weighted at 20% of the final grade. The remaining 80% will be divided among the other course activities. Students may take the EOS a second time after remediation to improve their score. Students may resubmit course work to improve their mastery up to the end of their enrollment time in the course.

Grading Scale

90-100	A
80-89	B
70-79	C
60-69	D
0-59	F

Quality Content: Engaging Content

Students are engaged through an intuitive, easy-to-use learner interface

Students are presented with relevant, real-world situations; interactive lessons; technology-enhanced items; and animations and videos

Content provides students the opportunity to think critically, problem-solve and be creative, practice what they are learning, and acquire new knowledge

Simple Technology: Unit and Course Activities

Students can submit their work for review, giving educators a chance to provide feedback

Educators are promptly notified once an assignment is submitted

Engaging activities provide rigor in the course and allow students to work at their own pace

A record of all comments and feedback is readily available

Submitting Unit Activities

The image displays three screenshots of the Edmentum submission interface for Unit Activities, illustrating the process from submission to review.

Top Screenshot: Shows the submission page for "Unit Activity: Literary Devices in Fiction". The status is "SUBMITTED FOR REVIEW". The submission was made on Aug 27th, 2020, at 12:44 pm. The submission is titled "Submitted For Review - please review". The submission is in the "Files" tab, and the "Include selected files" checkbox is checked. The submission is in the "Files" tab, and the "Include selected files" checkbox is checked.

Middle Screenshot: Shows the submission page for "Unit Activity: Literary Devices in Fiction". The status is "NOT SUBMITTED". The submission is titled "Submitted For Review - please review". Any Questions?

AP Courses

Advanced Placement - AP

- Advanced Placement (AP) is teaching, and assessment program designed to help US higher education institutions assess students for admission. It's developed and administered by the College Board
- EdOptions Academy's AP Courses are approved by College Board
- AP is specifically designed to be closely related to the first year of the student's study in the US, so students typically take the program to demonstrate an interest in a field or subject they hope to pursue at the college level.
- School will need to register the exam for the students locally.

Proven Quality

All of Edmentum's available AP courses have been audited, approved, and are listed within the College Board AP Ledger.

A review of Edmentum's 2023 AP course program revealed that:

Edmentum students earned scores of 3 or higher on 68% of all AP exams taken, 8% higher than the 2022 national average (60%).

Of the top five AP courses taken by Edmentum students, the percentage of students who earned a 3 or higher exceeded the national average by as much as 18%.
